<p style="text-align: right;">Page 4</p> <p style="text-align: center;">S T I P U L A T I O N S</p> <p>IT WAS STIPULATED AND AGREED by and between counsel for the respective parties that the reading, signing, sealing, and filing of the transcript is waived, and that all objections except as to the form of the question are reserved until the time of trial.</p> <p style="text-align: center;">- - - - -</p> <p>..... OFFICER CHRISTOPHER SAVINO, was called as a witness, and after having been duly sworn remotely, according to the law, was examined and testified as follows:</p> <p style="text-align: center;">- - EXAMINATION - -</p> <p>BY MR. LEVIN:</p> <p>Q. Good morning, Officer Savino.</p> <p>A. Good morning.</p> <p>Q. My name is Michael Levin. I'm representing the plaintiff in this case.</p> <p>It's my belief that you were involved in the preparation of a police report that is connected to the incident in which Ryan Miller perished. So I've asked you to come here today just so we can go over that report and I can ask you some questions surrounding your accident investigation.</p>	<p style="text-align: right;">Page 6</p> <p>Q. It looked like you were about to raise a point there.</p> <p>A. I have the accident report on my phone. Am I allowed to look at that?</p> <p>Q. I'm sorry?</p> <p>MR. KANE: He's referencing the accident report. Just for the record, Michael will probably show it to you on the screen. If it's easier to look at the laptop, we can confirm it's the same page. He'll most likely show it to you on the screen.</p> <p>BY MR. LEVIN:</p> <p>Q. I will. I don't know what your display capabilities are there, but it looks like you are probably looking at a sizable screen and hopefully you'll be able to see it when I put it up there.</p> <p>Just so you know, foreshadowing here, the questions are really going to be pegged right off the accident report. I'm just going to go through it and ask some you questions.</p> <p>Like I said, if I ask a bad question, you don't understand it, let me know. I'll be happy to repeat or rephrase it. Also sometimes audio just</p>
<p style="text-align: right;">Page 5</p> <p>A. Absolutely.</p> <p>Q. I'll have you out of here pretty quickly, but let me give you some instructions to help it go a little more quickly.</p> <p>A. Okay.</p> <p>Q. First off, since we're trying to keep a record of everything that is said here, both the questions I'm asking you and your answers, it's really important especially on this Zoom platform that only one person is talking at a time.</p> <p>Natalie is trying to take down everything that is being said. When there's multiple people talking, that's pretty difficult to do. So let me finish my question even though you may know exactly where it's going and I may be stammering over it. Just bear with me, I'll eventually get to the end of the question and let you answer. I'll do my best to let you complete your answer before I say anything, as well.</p> <p>This should be very, very straightforward subject matter. If I ask you a question and you don't understand it, let me know. I'll be glad to repeat or rephrase it.</p> <p>A. Okay.</p>	<p style="text-align: right;">Page 7</p> <p>gets a little bit wonky on this. If that happens, let us know.</p> <p>If for any reason you need a break, I'll be glad to accommodate that. The only thing I ask is if a question has already been asked, answer that question before we take a break. Although, like I said, I think that we should be out of here very quickly. Do you understand the instructions I've given you?</p> <p>A. Yes.</p> <p>Q. Okay. Is there any reason -- I'm sorry?</p> <p>MR. KANE: I'm sorry. Finish that and I have one thing to put on the record.</p> <p>BY MR. LEVIN:</p> <p>Q. Is there any reason why you wouldn't be able to understand questions or give accurate responses to answers here today?</p> <p>A. No.</p> <p>MR. LEVIN: Did you want to state something?</p> <p>MR. KANE: Yes. Can we confirm all depositions today are with the usual stipulations?</p> <p>MR. LEVIN: That's fine.</p>

<p>Page 8</p> <p>1 BY MR. LEVIN:</p> <p>2 Q. All right. Let's get started. Can</p> <p>3 you please state your full name?</p> <p>4 A. Police Officer Christopher Savino,</p> <p>5 S-A-V, as in Victor, I-N-O. Badge number is 5458.</p> <p>6 Q. You're currently employed with the</p> <p>7 Philadelphia Police Department?</p> <p>8 A. Yes.</p> <p>9 Q. In what capacity?</p> <p>10 A. I'm a truck enforcement officer</p> <p>11 assigned to the traffic district.</p> <p>12 Q. How long have you had that position?</p> <p>13 A. Eight years now.</p> <p>14 Q. Can you sort of take me through your</p> <p>15 history with the police department?</p> <p>16 A. Sure. I started the police academy in</p> <p>17 December of 1997. I spent a year in Center City</p> <p>18 walking foot beat. In July of 1999, I was</p> <p>19 transferred to the 24th district and I worked there</p> <p>20 just as a regular patrol officer until November of</p> <p>21 1995 when I got transferred to the traffic unit. I</p> <p>22 got federally certified as a DOT enforcement</p> <p>23 officer, truck enforcement officer, in May of 2014.</p> <p>24 Q. Okay. Have you ever been certified as</p>	<p>Page 10</p> <p>1 Q. Okay. Just off the top of your head,</p> <p>2 tell me what you remember independently.</p> <p>3 A. I received a phone call. Well, first,</p> <p>4 it was a radio call. Then it was a phone call from</p> <p>5 Officer Joseph Wolk who was a highway patrol officer</p> <p>6 stating there was a tractor trailer and a, for lack</p> <p>7 of a better term, dirt bike involved in an auto</p> <p>8 accident and it was a fatal accident on the 5400</p> <p>9 block of Tacony Street in the Tacony section of</p> <p>10 Philadelphia.</p> <p>11 Q. Okay. So, first, it was a radio call.</p> <p>12 Did the radio call come from officer Wolk?</p> <p>13 A. No. I'm a federally certified DOT</p> <p>14 officer. So any auto accidents involving commercial</p> <p>15 motor vehicles that have injuries and/or towing</p> <p>16 involved, we are by directive supposed to respond.</p> <p>17 Q. Okay. You mentioned you also got a</p> <p>18 telephone call directly from Officer Wolk?</p> <p>19 A. Yes.</p> <p>20 Q. Okay. What did he relate to you in</p> <p>21 that telephone call?</p> <p>22 A. Just that it was going to be a fatal</p> <p>23 accident. It was very short and sweet.</p> <p>24 Q. Did you know Officer Wolk prior to</p>
<p>Page 9</p> <p>1 an accident reconstructionist?</p> <p>2 A. I am one class short of being a fully</p> <p>3 certified accident reconstructionist.</p> <p>4 Q. Go for it.</p> <p>5 A. I am. I'm waiting.</p> <p>6 Q. I'd like to talk about the incident</p> <p>7 that occurred May 7, 2019 that you were involved in</p> <p>8 investigating.</p> <p>9 Since we're going to be discussing the</p> <p>10 police report, I'm going to try to throw that up on</p> <p>11 the screen so we can refer to it.</p> <p>12 A. Okay.</p> <p>13 Q. Just so I'm clear for the record, the</p> <p>14 police report -- and this is the one that you</p> <p>15 prepared. Is that correct, sir?</p> <p>16 A. Yes, sir.</p> <p>17 Q. It begins on Page 142 of the document</p> <p>18 package that we have marked for today's deposition</p> <p>19 as Plaintiff's Exhibit 1. The entire report runs to</p> <p>20 -- it looks like Page 149 is the last page.</p> <p>21 Now, first off, do you have any</p> <p>22 independent recollection of this incident aside from</p> <p>23 your review of the police report?</p> <p>24 A. Yes.</p>	<p>Page 11</p> <p>1 that phone call?</p> <p>2 A. Yeah, from the job. We both have been</p> <p>3 on the job a long time.</p> <p>4 Q. Okay. The two of you, do you have any</p> <p>5 relationship outside just your work relationship?</p> <p>6 Are you friends? Have you socialized?</p> <p>7 A. No.</p> <p>8 Q. Did he have the number to reach you on</p> <p>9 your cell phone or how did that come in?</p> <p>10 A. I gave it to him over the police</p> <p>11 radio.</p> <p>12 Q. So when that call came in over the</p> <p>13 radio is when you provided your number and he</p> <p>14 contacted you directly to fill you in?</p> <p>15 A. Yes, sir.</p> <p>16 Q. All right, fair enough. Where were</p> <p>17 you when you got the call?</p> <p>18 A. I was in South Philadelphia.</p> <p>19 Q. So you had to basically go across the</p> <p>20 city to get to the scene. Correct?</p> <p>21 A. Yes, sir.</p> <p>22 Q. All right. The report, does this</p> <p>23 reflect your arrival time?</p> <p>24 A. Yes, sir.</p>

<p>Page 12</p> <p>1 Q. So dispatch was at 19:47 and you 2 arrived, impressive, at 8:00.</p> <p>3 A. Lights and sirens. At that time of 4 night, there's not really that much traffic and the 5 lights and sirens definitely help.</p> <p>6 Q. Absolutely. You're listed as the 7 investigator here. You've already provided your 8 badge number. So all of that information is on the 9 report. Correct?</p> <p>10 A. Yes, sir.</p> <p>11 Q. And the reviewer is William Stermel. 12 Superior?</p> <p>13 A. He was the truck sergeant. He's no 14 longer -- he's about to retire.</p> <p>15 Q. Okay. So you arrived at the scene. 16 Do you recall what the lighting conditions were like 17 at the time you got there?</p> <p>18 A. I'm sorry?</p> <p>19 Q. Do you recall what the lighting 20 condition were like? Was it still daylight when you 21 got there?</p> <p>22 A. It was dusk. It was definitely 23 darker.</p> <p>24 Q. Okay. Tell me what you did when you</p>	<p>Page 14</p> <p>1 Q. The scooter that had been involved in 2 the incident, was that still in its final resting 3 position at that point in time?</p> <p>4 A. Yes. As far as I know, yes, it was.</p> <p>5 Q. Okay. And the tractor trailer that he 6 collided with, was that also pretty much at the 7 point of rest after impact?</p> <p>8 A. Yes, it was.</p> <p>9 Q. Okay. So both vehicles, stayed the 10 same, body was in its location where it was. 11 Nothing had been altered prior to your arrival?</p> <p>12 A. No.</p> <p>13 Q. Were there any other officers on the 14 scene when you got there?</p> <p>15 A. There was a few 15 district officers 16 there, yes. They were the initial responding 17 officers.</p> <p>18 Q. Okay. By the way, I'm sorry that you 19 had to go through what you went through 20 investigating this. It's pretty brutal.</p> <p>21 So you initially spoke to the driver, 22 just asked if he was okay. I'm assuming you also 23 took his information and took his account of the 24 incident while you were there?</p>
<p>Page 13</p> <p>1 got to the scene.</p> <p>2 A. When I arrived on location, I saw a 3 blanket -- not a blanket, but a -- for lack of a 4 better word, a blanket on the ground covering what 5 appeared to be a body.</p> <p>6 I spoke to -- the first person I 7 believe I spoke to was the operator of the tractor 8 trailer. I didn't interview him at the time. I 9 just asked him if he was okay, if he was injured or 10 anything like that. I went and I actually saw the 11 body underneath the blanket.</p> <p>12 Q. Okay.</p> <p>13 A. And then -- I'm sorry, go ahead.</p> <p>14 Q. Okay. In terms of -- I hate to get 15 into the subject matter, but obviously you were on 16 the scene. When you observed the body under the 17 blanket, tell me what you saw.</p> <p>18 A. Very, very bad crash. It was quite a 19 scene. I didn't know at the time if it was a male 20 or female because it was such -- because of the 21 severity of the injuries.</p> <p>22 Q. My understanding was it was head 23 trauma?</p> <p>24 A. Very much so, yes.</p>	<p>Page 15</p> <p>1 A. One of the 15th district officers had 2 his information already and they handed it off to 3 me.</p> <p>4 Q. Okay. Did you interview the driver 5 regarding the facts of the incident or was that just 6 stuff that was provided to you, as well?</p> <p>7 A. I interviewed him in reference to what 8 happened.</p> <p>9 Q. Okay. Just going through the fields 10 in the report. In terms of weather conditions, you 11 have listed here no adverse conditions. It was a 12 clear day is my understanding?</p> <p>13 A. It started pouring about an hour after 14 I was there. At the time of the accident, it was 15 clear.</p> <p>16 Q. Okay. There was no construction in 17 the area. Is that fair?</p> <p>18 A. Yes.</p> <p>19 Q. I know that this -- well, we'll get to 20 this later on. The actual location of the 21 collision, it was at the intersection of Tacony and 22 Fraley Street?</p> <p>23 A. Yes, sir.</p> <p>24 Q. Based upon your investigation and what</p>

<p>Page 16</p> <p>1 you were able to observe at the scene, what you</p> <p>2 heard from the truck driver, the scooter rider was</p> <p>3 coming down Fraley toward Tacony and struck the</p> <p>4 tractor trailer?</p> <p>5 A. The rear two axles of the tractor</p> <p>6 trailer. Yes, sir.</p> <p>7 Q. The very rear portion of the truck?</p> <p>8 A. Yes.</p> <p>9 Q. Was there any type of visible</p> <p>10 indication of the location of the impact on the body</p> <p>11 of the trailer?</p> <p>12 A. There was blood on the fourth axle.</p> <p>13 The outer tire right side of the fourth axle.</p> <p>14 Q. Okay. Not to get morbid, but were any</p> <p>15 photographs taken of that?</p> <p>16 A. I believe -- I don't know in all</p> <p>17 honesty.</p> <p>18 Q. All right. It looks like you also put</p> <p>19 in GPS coordinates of the actual location of the</p> <p>20 crash?</p> <p>21 A. The track system does that</p> <p>22 automatically for us.</p> <p>23 Q. Okay. You also checked into the</p> <p>24 functioning of the traffic signal at that</p>	<p>Page 18</p> <p>1 determine --</p> <p>2 A. Yes, sir.</p> <p>3 Q. Do you know if either of his parents</p> <p>4 or any family members were at the scene during the</p> <p>5 time you were there?</p> <p>6 A. I did not speak to them. I don't know</p> <p>7 about the mother, but I know the father showed up</p> <p>8 there at some point, but he was not able to get to</p> <p>9 the scene because we had everything shut down. I</p> <p>10 didn't want him to come up there, anyway. You don't</p> <p>11 want to see your son like that.</p> <p>12 Q. No. Now going down further, and this</p> <p>13 may be the witness that you were talking about, on</p> <p>14 what's marked as Defense 145, there's a box for</p> <p>15 witnesses down at the bottom of the page and you</p> <p>16 have an individual named Gary Bove listed as a</p> <p>17 witness.</p> <p>18 A. Yes, sir.</p> <p>19 Q. Is that the person you spoke to?</p> <p>20 A. Yes, sir.</p> <p>21 Q. Do you have a recollection of what he</p> <p>22 told you?</p> <p>23 A. He stated to me that he observed</p> <p>24 defendant -- not the defendant, I apologize. The</p>
<p>Page 17</p> <p>1 intersection to determine it was functioning</p> <p>2 properly?</p> <p>3 A. Yes, sir.</p> <p>4 Q. Okay. How long were you at the scene</p> <p>5 until the time your investigation was concluded and</p> <p>6 you left?</p> <p>7 A. Probably approximately three hours.</p> <p>8 Q. Ultimately, it was determined that the</p> <p>9 operator of the scooter proceeded through a red</p> <p>10 light and struck the body of the trailer. Is that</p> <p>11 correct?</p> <p>12 A. There was a witness on location that</p> <p>13 stated that to me, yes.</p> <p>14 Q. Okay. Obviously, you have the rider</p> <p>15 of the scooter identified here as Ryan Miller.</p> <p>16 A. Yes, sir.</p> <p>17 Q. My client's child. At the time, were</p> <p>18 you able to ascertain who he was or anything of that</p> <p>19 nature? How did that information come your way?</p> <p>20 A. As I stated prior, I didn't know if it</p> <p>21 was a male or female when I first got there. Mr.</p> <p>22 Miller's wallet was found not too far away from his</p> <p>23 person and there was a school ID card.</p> <p>24 Q. Picture ID and you were able to</p>	<p>Page 19</p> <p>1 driver. It's such a force of habit, I apologize.</p> <p>2 The driver of the motorbike, Mr. Miller, traveling</p> <p>3 eastbound on Fraley and he went through a steady red</p> <p>4 light and made contact with the rear of the trailer.</p> <p>5 Q. Did Mr. Bove give you any indication</p> <p>6 that he had had any type of interaction with the</p> <p>7 scooter rider prior to the collision?</p> <p>8 A. No.</p> <p>9 Q. Okay. He said it was just something</p> <p>10 that he witnessed?</p> <p>11 A. Yes, sir.</p> <p>12 Q. Did he volunteer any additional</p> <p>13 information saying he wasn't involved, anything of</p> <p>14 that nature?</p> <p>15 A. Not to me.</p> <p>16 Q. Did you take any type of formal</p> <p>17 written statement from him or provide him with a</p> <p>18 form to provide a formal written statement?</p> <p>19 A. No, sir.</p> <p>20 Q. In other documents in this case, I've</p> <p>21 seen an accident investigation interview form that</p> <p>22 was filled out by Mr. Bove. Was that given to him</p> <p>23 by somebody?</p> <p>24 A. That was somebody else. Yes, sir.</p>

<p>Page 20</p> <p>1 Q. Okay. You're not part of the accident</p> <p>2 investigation division. Correct?</p> <p>3 A. No, sir. Correct, sir.</p> <p>4 Q. Did you have any conversation with</p> <p>5 Officer Wolk at the scene?</p> <p>6 A. Officer Wolk just told me that he</p> <p>7 tried to stop him, stop Mr. Miller on his dirt bike</p> <p>8 because he was driving southbound on Tacony Street</p> <p>9 at a high rate of speed. Mr. Miller took off and</p> <p>10 then he lost him in the area and he couldn't find</p> <p>11 him.</p> <p>12 Q. Okay. He didn't indicate anything</p> <p>13 about pursuing him through the neighborhood or</p> <p>14 anything?</p> <p>15 A. No, sir.</p> <p>16 Q. Okay. Is there anybody else you spoke</p> <p>17 to at the scene that gave you any information that</p> <p>18 helped you in the preparation of your report?</p> <p>19 A. Just the operator of the tractor</p> <p>20 trailer, Mr. Espinosa.</p> <p>21 Q. Okay. What did he tell you?</p> <p>22 A. He stated to me that he was driving</p> <p>23 his tractor trailer, which was intermittently on</p> <p>24 southbound Tacony Street, in the right lane going</p>	<p>Page 22</p> <p>1 Q. Okay. Are there any type of</p> <p>2 photographs or handwritten materials which you're</p> <p>3 aware of that would have been retained in connection</p> <p>4 with this investigation?</p> <p>5 A. No, sir.</p> <p>6 Q. All right, sir. I don't think I have</p> <p>7 anything else. Your attorney may, but probably</p> <p>8 doesn't.</p> <p>9 BY MR. KANE:</p> <p>10 Q. I have just one question. Officer,</p> <p>11 you were in the truck enforcement division?</p> <p>12 A. I'm in the traffic unit. I'm a truck</p> <p>13 enforcement officer assigned to the traffic unit or</p> <p>14 traffic division.</p> <p>15 Q. Were there any other truck enforcement</p> <p>16 officers working the night of this accident to your</p> <p>17 knowledge?</p> <p>18 A. No, sir. I was the only one.</p> <p>19 Q. That's my only question.</p> <p>20 MR. LEVIN: Thank you, sir. I</p> <p>21 appreciate your time.</p> <p>22 THE WITNESS: Thank you.</p> <p>23 (Witness excused.)</p> <p>24 (Deposition concluded at 11:33 a.m.)</p>
<p>Page 21</p> <p>1 through a steady green light at the intersection of</p> <p>2 Fraley Street when he saw something out of the</p> <p>3 corner of his right eye. He looked in his rearview</p> <p>4 mirror and he saw a body rolling around.</p> <p>5 Q. So he saw some motion and then he saw</p> <p>6 basically the aftermath?</p> <p>7 A. Yes, sir.</p> <p>8 Q. Obviously, he's in a very large</p> <p>9 vehicle and the vehicle wasn't really affected other</p> <p>10 than the blood staining you mentioned. Correct?</p> <p>11 A. Yes, sir.</p> <p>12 Q. Any other people in the vicinity who</p> <p>13 had mentioned that they had seen anything to you?</p> <p>14 A. No, sir.</p> <p>15 Q. In terms of your process for preparing</p> <p>16 this report, do you gather handwritten notes and</p> <p>17 then later put it into this form?</p> <p>18 A. No. I actually typed it right on</p> <p>19 there from the operator's mouth because I was there</p> <p>20 for so long. I can talk to him and type at the same</p> <p>21 time.</p> <p>22 Q. Okay. That can be from, what, a</p> <p>23 terminal in your cruiser?</p> <p>24 A. My computer in the cruiser. Yes, sir.</p>	<p>Page 23</p> <p>1 (Whereupon the document was post-marked, for</p> <p>2 identification purposes, as Plaintiffs 1.)</p> <p>3</p> <p>4</p> <p>5</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p>

C E R T I F I C A T E

I, Natalie J. Goldhill, a Court Reporter and Notary Public, Chester County, Pennsylvania, do hereby certify that the witness was by me first duly sworn to testify to the whole truth and that the above deposition was recorded stenographically by me and was transcribed by means of computer-aided transcription under my personal direction and that the said deposition constitutes a true record of the testimony given by said witness.

I further certify that I am not a relative or employee of any of the parties, a relative or employee of any attorney involved in this action, or financially interested directly or indirectly in this action.

Natalie J. Goldhill, Notary Public
Chester County, Pennsylvania and
New Castle County, Delaware
